Biography

Steven Croman is a well-known real estate owner and landlord, as well as a well-known fraudster in New York City, USA. He established his own real estate firm, Croman Real Estate, in 1990. By the end of the 1990s, his company owned 20 buildings, and this number rose to 140 buildings in 2016. Most of the buildings are located in Manhattan's East Village. In 1998, The Village Voice listed Corman as one of the 10 worst landlords. In 2017, Croman was sentenced to eight months in prison and a \$5 million fine after being found guilty of tax fraud and filing a false instrument.

Sources of Income

The main source of income for Steven Croman is his real estate business. He used to buy and sell commercial and residential properties near Manhattan, NY, and East Side villages. Currently, his firm, Croman Corporation, owns more than 200 buildings in Manhattan and the New York area. Other than that, he has also invested in the stock market, where he also makes a good sum of money, but the main source of his income and his net worth is his real estate business and his real estate company.

Family

Steve is a married man, and he is married to his girlfriend, Harriet Croman. They met on their college dates and began dating. They both decided to marry after a few years of graduation. Currently, they are living together, and the couple has three sons: Jake Benjamin, Adam Rubin, and Ryan. Steve's wife, Harriet, is his business partner; together

they used to run several other businesses. Currently, they are living in New York.

Educational Background

Steven Croman was born and raised in New Jersey, and he completed his high school education there. Later on, he moved to New York and attended New York University to complete his graduation and obtain a degree in the field of real estate and business.

Career of Steven Croman

Steven Croman started his career just after his graduation, when he first became a real estate agent for a firm in New York. Later, in November 1990, he decided to start his own real estate firm, which he named Croman and Real Estate. His first major investment was when he bought a tenement at 221 Mott in 1992. And by the end of the decade, The Croman Real Estate Firm owned more than 20 buildings in Manhattan and New York, and by that time, Croman was 33 years old.

If we talk about current statistics, Croman and real estate firms own more than 200 buildings in the East Village, New York City, and Manhattan areas. Despite the fact that this empire was built on illegal and fraudulent activities, it is still one of New York's and Manhattan's largest real estate firms.

Criminal Charges on Steven Croman

Steven Croman has engaged in many illegal activities in the field of real estate. According to reliable sources, he has been charged with grand larceny, tax fraud, and possessing a false instrument. Aside from that, he is involved in a number of illegal property transactions. In 2017, he also lost his management rights due to a civil suit filed against him.

Vehicles and Residence

Steven Croman is a very rich businessman and real estate owner. By assuming his net worth, we can all estimate that he is leading a very luxurious lifestyle, including owning luxury and premium cars and big mansions. But there are not any details related to his car collection or his house, so we can just assume that he is living a very luxurious lifestyle in accordance with his net worth, which is more than \$640 million.

Steven Croman The Real Deal

The Real Deal is a New York A real estate news outlet published a story titled "He's Back: Steve Croman Resumes Management, According to Tenants." This report stated that Steven Croman was back to manage his properties. Steven lost his management rights in late 2017 after settling a civil suit with the attorney general. Under the agreement, Croman can petition each year to resume management of 20 buildings. [Although you can read the complete article on The Real Deal.](#)
