Fire Injures Eight People In Gramercy Park OCTOBER 25TH, 2003

Eight people were hurt, one critically, in a blaze in the Gramercy Park section of Manhattan early Saturday morning.

The blaze broke out just before 5:30 a.m. on the 3rd floor of a six-story building on East 18th Street, and the flames quickly spread to the fourth floor.

Two of the injured were taken to Cornell Medical Center with serious burns and smoke inhalation. Five others were hospitalized in stable condition, and another was treated on the scene and released.

It took over a 100 firefighters about 40 minutes to control the blaze. The cause of the fire is under investigation.
