STATEMENT ON GUILTY PLEA OF NYC LANDLORD STEVEN CROMAN

JUNE 6, 2017

“I want to commend Attorney General Eric T. Schneiderman and his team for their successful pursuit of Steven Croman, one of the most notorious, unscrupulous, abusive landlords in New York City. Nearly every week, my office receives calls from this man’s tenants throughout my district. Many of them are elderly, disabled and living on fixed incomes. Steven Croman targeted them with illegal tactics, and now he will pay the price. I hope landlords across New York City hear Attorney General Schneiderman’s message loud and clear: if you violate the law and harass your tenants, you will face justice.”
