It was the late '70s again in the Hamptons Saturday night at a Studio 54 bash thrown by real estate moguls **Harriet** and **Steve Croman**. The party was based on the famed club, with performers including Chic, bottle service and a drag **Grace Jones**. We're told the couple had planned to throw the bash at their home in Sagaponack, but after complaints by neighbors, event planner **Pat Glenn** found a spot on farmland in Water Mill. Costumed guests dancing under a tent included **Alison Brod**, **Jason Binn**, **Rosanna Scotto**, **Chris Wragge**, **Michael Hirtenstein**, **Donny Deutsch**, **Jeff Zucker** and **Charlie Walk**. We're told the police showed up to shut down the party at 1:30 a.m.
