The clip shows Jake Croman hurling abuse at Artur Zawada after he refused to let them in his cab.

Fuming, the gang of five students crowd around his front window and jeer at him.

And Croman — son to a wealthy New York property tycoon — unleashes a truly sickening torrent of abuse.

CRUEL: Croman taunts the driver in a disgusting show of arrogance

He tells Zawada: "There's fifty of you and there's one of me here, who will spend the most money.

"F\*\*\* you Artur you little f\*\*\*\*\*, f\*\*\* you.

"Want to kick me out?"

"You kick me out you piece of s\*\*\*."

SHOCKING: Croman sticks his head into the Uber driver's window to yell at him

And the Michigan University student degrades Zawada for his profession too.

He says: "You're an Uber driver, go f\*\*\*\*\* drive you little f\*\*\*. Minimum wage f\*\*\*\*\*."

Croman walks away but decides to deal a final blow as his cronies snigger in appreciation.

He turns to the car and adds: "You're working all day? I'm going to sit on my a\*\* and watch TV".

The clip has been watched 300,000 times since it hit the web on Wednesday and it has caused uproar.

The Michigan University student is currently being investigated by his fraternity – who condemned the incident.

But Croman has since alleged that the Uber driver had refused to pick him up "on the basis of my religion".

"I am not proud of my reaction to his discrimination and I regret my choice of words.

"Shortly after the verbal altercation, I filed a complaint with the Ann Arbor police department and they are now dealing with the issue," he said.

Zawada denied the allegation and said that he knew of the student from previous trips and decided he would not pick him up after a series of bad experiences.

He said: "I already told him I would never take him again.

"He knew that but he didn't cancel the trip.

"I pulled in I didn't even say anything to the guy – and that happened.

"So I pulled out my cell phone and recorded him.

"He should just have cancelled before I came over.

"They were looking for trouble.

"They were hoping I would lose my cool."

Despite his plans to "sit on my a\*\* and watch TV" Croman is an "associate" at dad Steven's estate agency, according to his LinkedIn profile.

Steven Croman is one of the most notorious landlords in New York City, according to the Washington Post.

He is under investigation for allegedly using illegal tactics to get rid of tenants who had are paying lower rents.
